

501(c)(3)

St. Augustine Little League (SALL) is proud to announce that with the support of District 11 Little League we have been chosen to host the South East Region Urban Initiative (UI) Jamboree May 3-5, 2019. The Jamboree will consist of 16 Little League regular season teams from across 8 states in the SE Region.

The UI Program helps build civic pride and social awareness within the communities of these teams. We at SALL want to have these young men leave our town & community having a positive and meaningful experience that will last a lifetime for them.

As a past supporter of SALL we are once again asking you to join our effort to make a difference in a child's life. I would like to remind you that SALL as well as District 11 Little League consist of all volunteers. Without your support we would not be making the difference that we are in OUR community.

One of the highlights of this event is the Saturday afternoon lunch. Between games the players as well as the families of the players will be treated to a meal. This allows families to gather and meet one another and create new friendships. To us Little League Baseball is a way to bring people together to celebrate our children. We hope that you will be a part of that. As always we would encourage you to come out and see for yourself the excitement first hand.

Respectfully,

Marty Martin
District Administrator, D11
